Dodgers Season Comes to a Close

On Wednesday August 1st in Toronto the Oshawa Dodgers 2007 season came to a close with a 2-0 loss to the first place Toronto Maple Leafs. The Dodgers battled hard in the series and were able to hold the league's best bats to only 21 earned runs in 5 games with 8 of them coming in game one's 11-0 loss. The Dodgers offence however struggled and were shutout in three of the five games against a very powerful Toronto pitching staff led by ex-Jay Paul Spoljaric. The Dodgers most exciting game in the series came at home on July 27th with a dramatic extra inning victory. After Toronto scored the go ahead run in the top of the tenth, the Dodgers answered with two runs in the bottom of the inning for the victory. In game five in Toronto in the top of the ninth, the Dodgers once again looked to make it exciting with runners at second and third and only one out but could not capitalize.
